TELEPHONE: (512) 236-2000
Ldougal@jw.com

Leonard Dougal is a partner in the Environmental and Legislative Practice Group of Jackson Walker L.L.P. He represents a diverse group of clients in water supply matters, including special utility districts, non-profit water supply corporations, developers of new subdivisions, and energy companies. He also has an active practice in water quality permitting, where he represents industrial facilities, developers and agricultural operators in permit and compliance matters.

Mr. Dougal earned his J.D., with honors, from The University of Texas School of Law and earned a B.S. in Chemical Engineering, with honors, also from The University of Texas.

He is a member of the State Bar of Texas, and is admitted to practice before the U.S. Court of Appeals for the Fifth Circuit and the U.S. District Court for the Western District of Texas.

- He is Board Certified in Administrative Law by the Texas Board of Legal Specialization.
- He is listed in the 2017 edition of *The Best Lawyers in America* under both Environmental Law and Water Law.

Mr. Dougal is a co-author of two chapters in the treatise the *Essentials of Texas Water Resources* (TexasBarBooks). He is also a regular speaker at bar and continuing legal education seminars and has recently spoken on:

- *Utilities and CCNS: The Latest Issues at the Public Utility Commission of Texas*, presented at the TexasBarCLE 19th Annual Changing Face of Water Rights, February 23-24, 2017, San Antonio, Texas
- *Brackish Groundwater Development in Texas: Legal Issues and Policy Challenges*, presented to the H2O4Texas 2014 Conference, September 11, 2014, Fort Worth, Texas
- *Conflicts, Curtailments and Conversions: Lessons From the Historic Texas Drought*, presented to the Texas Environmental Super-Conference, August 1, 2013, Austin, Texas.
- *Hydraulic Fracturing: New Developments in Water Disposal Reuse and Recycling*; presented to TexasBar CLE Environmental Impacts of Oil and Gas Production, January 25, 2013, San Antonio, Texas
- *Panel Discussion: Water Usage in the Energy Sector*; presented at the 9th Annual West Texas Legislative Summit, Water Resources – Now and the Future, August 28, 2012, San Angelo, Texas
